The B Plan for our Harvest Townhomes provides approximately 1459 square feet of space with 3 bedrooms plus a den on the lower level, as well as 2 bathrooms. It features an open concept living, dining and kitchen area. A generous size single car garage with space for storage. The kitchen features stainless steel appliances, with white cabinets and light grey quartz countertops as well as black accent hardware throughout. This home also features luxury vinyl plank flooring in a beautiful white oak finish, luxurious carpet and large format tiles.

\*Please note finishes are different than what is shown in the photos.
